Solutions
pumps, valves & instrumentation

Portble & Bench Top Dataloggers

Totalizing Water Meters

- Vortex flow sensors 1/4" to 1" pipe sizes
- Totalizing water meters for 1/2" to 8" pipe sizes

North American Distributors for:

Ahlborn - Measurement and datalogging of flow, temperature, humidity, pressure, pH and other variables

Equiflow: Miniature Teflon & PVDF turbine flow sensors

Furgut - Miniature diaphragm and rotary vane pumps for gases

Gotec - Miniature oscillating piston pumps

Huba- Low differential air pressure transmitters and switches and wide range of gas & liquid pressure transmitters to 15,000 psi

Marco- Gear pumps

Namiki- Miniature inert liquid & gas diaphragm pumps

PKP Process Instruments, Inc- Pressure, temperature, level, and flow measurement instruments

Pump Engineering Ltd - Small pneumatic diaphragm pumps

Takasago - Miniature inert isolation valves, pinch valves and miniature specialty pumps

Uno- Miniature liquid and gas diaphragm and peristaltic pumps

Debem- Air operated diaphragm pumps

Verder- Peristaltic Pumps

Zuwa- Flexible impeller pumps

PVDF & PFA Low Flow Sensors

Variable Area Flow Transmitters

Pressure Transducers

Flow Switches

Pressure & Temperature Switches

**FLOW PRESSURE LEVEL TEMPERATURE
HUMIDITY ROTATIONAL SPEED
INDICATORS, SWITCHES, TRANSMITTERS, CONTROLLERS,
DATALOGGERS, VALVES, SPECIALTY PUMPS**

Master Distributors for:

Bonomi- NEMA 4X electric and pneumatic ball valves & butterfly valves

DEI- Actuated ball valves, butterfly valves & globe valves

Dwyer Instruments- Differential Pressure, Temperature, Level, Flow Switches, Transmitters, Monitors

Fluidotech- Gear & rotary vane pumps

Jefferson - Solenoid valves with port sizes from 1/8 to 2-1/2 inches

Key Instruments- Variable area flowmeters

Koge- Miniature 2-way & 3-way solenoid valves and bellows pumps

Nason Company - Pressure switches and temperature switches

Noshok - Specializing in stainless steel pressure gages and pressure transducers

RCM Industries - Rugged, direct-reading flowmeters for gas & liquid service

Seametrics- Paddle and electromagnetic insertion type flow sensors

Shimpo- Tachometers & force gages

Thomas- Flow Switches

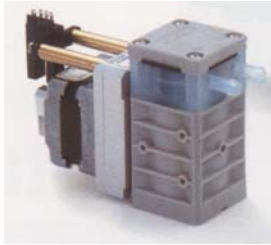

UE- Pressure & temperature switches

AOD Pumps

Flexible Impeller Transfer Pumps

Inert Diaphragm Pumps

Peristaltic Pumps

Solenoid Piston Pumps

Bench Top Peristaltic Dispensing Pumps

SS Gear Pumps

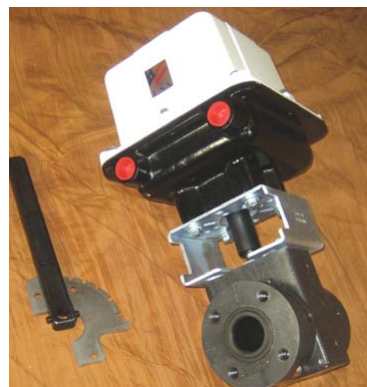

Variable Speed Gear Pumps

Diaphragm Air Pumps

Inert Isolation Valves

Process Pinch Valves

Pneumatic & Electric Actuated Valves
